

1000 cranes for mr. white ホワイトさんに千羽鶴を

Our dear friend **Mr. Jabari White** was involved in an unfortunate accident in May 2008. Please join us and help to make paper origami cranes and wish his recovery. Our goal is to create 1000 cranes, with 1000 wishes and prayers. We can achieve this goal with your kind and heartfelt assistance.

Thousand Origami Cranes (千羽鶴 *Senbazuru*) is a group of one thousand origami paper cranes held together by strings. An ancient Japanese legend promises that anyone who folds a thousand origami cranes will be granted a wish by a crane, such as long life or recovery from illness or injury. The crane in Japan is one of the mystical or holy being, and is said to live for a thousand years.

The instruction is on the back.
